We are happy to announce that you can now purchase a sticker to place on your barrel(s) in lieu of purchasing individual tags for six or twelve month periods. A flyer detailing this option will be coming in your invoice. Please keep a look out for it and return the bottom form along with your payment. The cost per barrel is as follows:

6 months	\$31.25
12 months	\$60.00

Remember you still need to pay your invoice for Trash and Recycling Pickup. This option replaces the need to purchase individual tags only.

If you choose this option you can return any unused stickers to us and we will reimburse you. We recommend that you keep a small supply of overflow bags on hand for any excess trash.

We want to take this opportunity to thank you for staying with the Foxborough sponsored program. We will continue to work hard to keep your business! In addition to the high level of service that you deserve, we want you to know:

- We pay our drivers and laborers prevailing wage, at least \$24.57 and \$22.35 per hour respectively.
- All our drivers carry a commercial driver's license complete with required training and health card.
- Dual stream recycling guarantees the highest percentage of your recycling actually gets recycled as opposed to the higher contamination rates and subsequent disposal that is a byproduct of single stream.
- All your solid waste is disposed of at a fully licensed Massachusetts facility.
- Finally, at no additional cost to the Town we service the Town of Foxborough's schools and municipal buildings.
